ICU Information

JJHS utilizes a tool to make sure all students are completing assignments, getting the help they need and succeeding . The ICU list is a communication tool that allows teachers to personalize interventions while informing all interested parties. Below is a brief description of the interventions to assist parents in understanding the ICU policies.

Advisory Guided Study: Teacher has requested the student to come see them during Advisory time for additional tutoring/ re-teaching or to make up missing work. **Students can request a pass from their teachers to visit them during advisory, proactive students will not be placed on the ICU list.**

Working Lunch: This intervention is for students who need Extra Time to complete their work. Teachers will be present to assist students with their assignments while they are enjoying their lunch.

Collaboration Academic Lab: Available on Wednesday beginning at 7:15 am until 8:15 am.

Morning Academic Lab: Available Monday thru Friday from 7:15 am until 7:45 am.

Afternoon Academic Lab: Available Monday thru Thursday from 3:05 until 4:00 pm. Academic lab can be assigned for students who need extra help and time, but cannot achieve their goals with the interventions listed above. **Students can voluntarily go to academic lab. They will not be placed on the list if they are proactive.**

Parents/Guardians can contact the JJHS Lifeguard if they have questions regarding the ICU list.
